

Administrator's Report

The city's mission is to deliver exceptional services that sustain and enhance a vibrant, safe and diverse community.

City Administrator's Report October 19, 2026, prepared for City Council. Kindly forward questions, comments, or suggestions for input to mdohoney@a2gov.org, mwalton@a2gov.org, or shiggins@a2gov.org.

SAFETY NOTES

Safety Update *Staying Ahead of Flu Season: What You Need to Know*

As we move into the colder months, flu season is right around the corner. If you have not already received your influenza vaccine, it is not too late! The best way to protect yourself and those around you is to get vaccinated. According to the Washtenaw County Health Department, influenza is already spreading at moderate levels locally, and levels are expected to increase as we head into holiday season

Here is what you can do to prevent illness and the spread of the flu:

- Get vaccinated: The influenza virus changes every year, which is why it is important to stay up to date on your vaccination. Flu vaccines are available now at many pharmacies, doctor's offices, and local health departments.
- Practice good hygiene by washing your hands regularly, cover your cough or sneeze, and stay home if you are sick.
- Stay informed by following information from the Washtenaw County Health Department. You can visit their [website](#) for up-to-date information on vaccination and local data of the spread of the flu.

Thank you for making **A2 Safe!**

SUSTAINABILITY & INNOVATIONS

Sustainability & Innovations Corner Catch up on the latest information submitted from the Ann Arbor Office of Sustainability and Innovations (OSI). For further details, including registration links, visit [OSI online](#).

- **OSI Continues Community Conversation on Offsets:** OSI launched a multi-month engagement process around carbon offsets – a key component of meeting the community's 2030 carbon neutrality goals. An Engage Ann Arbor page, a public website, and a series of public meetings were announced as part of the launch of this multi-month engagement effort. Details about this work, including links to all surveys and public forums, can be found at osi.a2gov.org/offsets.
- **\$30,000 Awarded to Two Food Businesses in Ann Arbor to Switch to More Sustainable Refrigeration Systems!** OSI offers both a refrigerant management technical assistance program and a grant program

to help eligible businesses reduce their greenhouse gas emissions and save money by replacing or retrofitting old and faulty refrigerant systems. The first two businesses to participate in this program have been awarded funding to upgrade to refrigerants systems that offer a 99.8% comparative reduction in global warming potential. To learn more about this program, please visit a2gov.org/refrigerant.

- **OSI Park Work Day, Oct. 16, 3 – 5 PM, Hansen Park.** Show some love to a city park! Join the City of Ann Arbor's Office of Sustainability and Innovations and the Ann Arbor Parks Volunteer Program for a volunteer workday focused on caring for Ward Park's playground area. To keep the play area safe, we'll be spreading a fresh layer of play-safe woodchips under and around the equipment using wheelbarrows, pitchforks, and rakes. This task makes a big difference in safety and helps the playground look well cared for. No prior experience is necessary- staff will provide all tools, supplies, training, and guidance throughout the event.
- **TREducation: Threats to Trees and Fall Colors, Oct. 23, 6 PM, Leslie Science and Nature Center:** Join OSI and the Leslie Science & Nature Center for our new A²ZERO TREducation Series, on the fourth Friday of the month from August to November! This month, we will focus on the various threats our trees face in the Ann Arbor area - join us for a workshop where you'll learn about the impacts of climate change, diseases, people, and more on our trees, followed by a (weather permitting) guided walk showcasing the beautiful fall colors of Leslie Park. Workshop begins at 6pm at the Leslie Science & Nature Center's Energy House.
- **Electronics Collection, Oct. 24, Zion Lutheran Church:** This program collects unwanted electronic devices from the Ann Arbor community and prevents them from becoming waste by facilitating reuse, refurbishment/repair, and—as a last resort—recycling of these devices. Learn more about accepted electronics and register at a2gov.org/electronics.
- **Cinema and Sustainability Series: *A Place at the Table*, Nov. 5, 7 PM, Michigan Theater:** In collaboration with Marquee Arts, OSI is sponsoring the return of the free Cinema and Sustainability Film Series, which explores sustainability, environmental stewardship, and the collective actions shaping a green future. To see the full list of films in the series and reserve tickets for free online, visit marquee-arts.org/cinema-and-sustainability.

COUNCIL PRIORITIES/INITIATIVES

Police Monthly Report. The September 2026 AAPD Monthly Comparison Report – Monthly Pedestrian Crash Report (PDF) is attached.

Transportation Commission Monthly Report. The October 2026 Transportation Commission Project Report is available via <https://a2gov.legistar.com/LegislationDetail.aspx?ID=8292703&GUID=D1C84CC1-FBBA-4668-9FD2-87DF0175BF2E>

- An Ordinance to Amend Section 9:61 and 9:62 of Chapter 108 (Disorderly Conduct) of Title IX of the Code of the City of Ann Arbor

OTHER

Ann Arbor Parks & Recreation Plan Process Launches with Community Needs Assessment and Public Survey.

The City of Ann Arbor is beginning the process to reimagine the Parks & Recreation Plan, partnering with Agency Landscape + Planning. Over the course of nearly two years, a robust community engagement process will help residents, stakeholders and city leaders shape a shared vision and strategic plan for the future of [Ann Arbor parks](#), recreation programs and open spaces. Ann Arbor Parks & Recreation will continue to host opportunities for community input, including focus groups, open houses, an [online survey](#) open to everyone now through Dec. 15, 2026, and a statistically valid survey of a representative sample of residents. For more information, visit the plan's engagement webpage, <https://engage.a2gov.org/parkplan>, where event dates will be posted as they're confirmed. More information is available via <https://www.a2gov.org/news/posts/ann-arbor-parks-recreation-plan-process-launches-with-community-needs-assessment-and-public-survey/>.

Stay Informed During Busy Road Construction Season. Ann Arbor's 2026 construction season is one of the busiest in recent memory, especially in Ann Arbor's core. A month-by-month planning map, updates, as well as closure information, are published on www.a2gov.org/roads. For the safety of all, please reduce speeds and drive cautiously through or around the area. The city thanks all in advance for their patience.

As always, regular email updates about road construction will be sent to "Road and Lane Closure" [subscribers](#).
