

Sustainable Energy Utility (SEU)

Welcome to our **70 new subscribers** to the newsletter this month! As summer reaches its tail end, here are our highlights from the past few weeks.

Bryant neighborhood pilot updates

- We currently have **77 Bryant customers officially signed up and 36 systems installed**, making progress toward our goal of 100 customers this year.
- Relive the July 23rd **Bryant neighborhood celebratory walking tour** through this [video](#), which showcased some of the homes that have received upgrades including weatherization, appliance electrification, new roofs and A2SEU solar + battery storage systems.

Save the Date

- **What does the future of solar look like?** Join Shoshannah Lenski, our Executive Director, and Dr. Rohini Chandran from the U-M Department of Mechanical Engineering at the [Science Cafés](#) Series to learn more. Open to the public. September 23rd at 5:30pm at Conor O'Neill's: 318 S. Main St., Ann Arbor.

In the News

- On August 10, **Congresswoman Debbie Dingell visited the Bryant neighborhood** to learn about all the progress the SEU has made and how community advocacy has paid off! Head to this [article](#) to read more or watch a short recap [video](#).

- **The A2SEU made national radio!** [Hear](#) A2SEU customers Bruce, Myles, and Monica speak about their experiences with the SEU pilot and hopes for its progress, reported by Caleigh Wells on NPR's Marketplace!

The SEU is hiring!

- Are you or do you know an energy/utility professional who is excited to help build the A2SEU as our first Strategy & Operations Manager? Read more on this [link](#) and apply.

Our FAQs are live! All your burning questions now answered - [check it out.](#)
