A MESSAGE FROM MAYOR AMY WILCZYNSKI

Happy Fall everyone! I hope the transition back to school went smoothly. It's amazing how quickly the air has cooled and the leaves are starting to turn shades of red and gold.

Fall sports have started and the Borough is collaborating with Allendale Rec to prioritize field rehabilitation.

We hope to see everyone out on **Allendale Festival Day**, which is **Saturday, September 20th** from 12 - 4. In addition to the vendors, food and live music, there will be a ribbon cutting in front of the mural at 12pm. All the kids who participated in the mural have been invited. There will be lots of vendors, music and food throughout the day! Thank you to Allendale Chamber for organizing - please consider joining our Chamber. We are always looking for new businesses and volunteers.

The Mayor & Council are hosting our **3rd Town Hall on October 7th** at the community center. The main topic will be Fair Share Housing. This is a topic we have been dealing for years! The status is constantly changing and we will inform you about where we are in the process at this point.

Save the date for the ARC 5K: October 19th. This year the run is in memory of Sharon Moran, long time Allendale resident who volunteered countless hours in many organizations around town. We have the opportunity to have \$25,000 matched dollar for dollar by the McKinley foundation. Please consider donating or becoming a sponsor. All proceeds will go right back into Allendale to some of our beloved organizations!

The community center has been open almost 1 year. We have had great feedback and success. It was a much-needed facility for residents and we are thrilled to see it used so much. I'm very proud of our staff and volunteers for their efforts to kick this off and manage all the different schedules as well as bring in new programs to our residents. We will be hosting another **OPEN HOUSE on October 24th from 3-7**. All are welcome to stop in, ask questions and have a look around. Please check the website for new open gym & pickle ball schedules as well as other important dates.

We are starting to draw up specs for new outdoor tennis/pickle and basketball courts. These will be mostly funded using Bergen County grants. It appears we will need a total overhaul of the area which will require a full engineer analysis- we will keep everyone updated as we move forward with this next big capital project.

Recently our police department launched a comprehensive **Traffic Enforcement and Safety Initiative**. This is a multi-pronged approach with many components aimed at increasing safety in our town. Please read the statement from Chief Dillon in this newsletter. Please remain vigilant when driving and walking and please teach your kids to be responsible bike riders!

Please stay informed: [sign up for alerts and emails](#) and follow the [Mayor Amy Wilczynski Facebook](#) and [Instagram](#) pages as well as the [Borough Facebook](#) page. Also feel free to [contact any council member or myself](#).

If you know someone who does not have access to a computer, please let us know so we can mail them Borough updates.

Please say hi anytime you see me around town!

Mayor Amy Wilczynski

ALLENDALE POLICE DEPARTMENT

290 FRANKLIN TURNPIKE, ALLENDALE, NJ 07401-2093

(201) 825-1900

September 3, 2025

Dear Allendale Community,

As we welcome the start of a new school year, the safety of our students, pedestrians, and all roadway users remains a concern. The Allendale Police Department is launching a comprehensive Traffic Enforcement and Safety Initiative aimed at creating a safer environment around our schools and throughout the community.

Key components of this initiative include:

- Infrastructure Improvements: Replacement of faded traffic signs and renewal of roadway striping to enhance visibility and driver awareness.
- Data-Driven Enforcement: Utilizing data collected from existing and newly installed electronic speed signs to prioritize enforcement efforts accordingly.
- Radar Trailers: Deployment of "Your Speed Is" radar trailers in school zones and other critical areas to provide real-time feedback to drivers and encourage voluntary speed compliance.
- Visibility Enhancements: Trimming of tree limbs and vegetation that obstruct traffic signs to ensure all signage is clearly visible to drivers.
- Targeted Traffic Enforcement: Increased patrols and specialized task forces focused on addressing:
 - Speeding
 - Failure to yield to pedestrian violations
 - Distracted driving
 - E-bike violations
- Advanced Speed Detection Tools: Use of handheld laser and radar speed measuring devices to support precise and effective speed enforcement operations.
- Automated Parking Enforcement: Installation of parking enforcement cameras to address illegal parking in crosswalks downtown causing an unsafe condition for pedestrians.
- Commercial Vehicle Enforcement: In partnership with the Bergen County Sheriff's Office, we will be conducting commercial truck enforcement to ensure compliance with safety regulations and NJ state laws.
- Pedestrian Safety Education: Continued implementation of the Cross with Care program, aimed at educating pedestrians, especially children, on safe crossing habits and traffic awareness.

We encourage all residents to remain vigilant, drive responsibly, and help us make this school year a safe one for everyone. Thank you for your continued support and cooperation.

Sincerely,

Michael T. Dillon

ALLENDALE AMBULANCE CORPS

Serving since 1937

BIKE HELMETS CAN HELP PREVENT SERIOUS BRAIN INJURIES

In New Jersey, Children under 17 are required to wear helmets for both bikes and e-bikes. However, wearing a helmet at any age is a wise decision as cycle helmets offer vital protection to one's fragile skull and has been shown to reduce the risk of head injury by up to 70%. According to the National Highway Traffic Safety Administration, more children ages 5-14 go to emergency rooms for bicycle-related injuries than any other sport; many are head injuries.

Like car crashes, bicycle crashes can happen at any time, involving not only children, but adults, many of whom are skilled riders. In fact, middle-aged adults represent the average age of bicycle riders killed and injured.

Helmets are the single most effective piece of safety equipment for riders of all ages, if you crash. Everyone should choose to wear a helmet; it just makes sense!

For guidance on fitting your bike helmet, visit: https://www.nhtsa.gov/sites/nhtsa.gov/files/8019_fitting-a-helmet.pdf

NEWS

FEMA's Community Emergency Response Team (CERT) program educates citizens about disaster preparedness for hazards that may impact their area and provides training in basic disaster response skills, such as:

- Fire safety
- Light search and rescue
- Team organization
- Shelter fundamentals and management
- Disaster medical operations
- Disaster psychology

If you are interested in learning valuable skills to help family, friends, and neighbors during a disaster or emergency, consider joining Allendale's Community Emergency Response Team. You can contribute and make a difference even if you don't have a significant amount of time to volunteer. The next CERT Basic Training course is scheduled to run from September 30th – November 13th. Classes are held on Tuesday and Thursday evenings (some in Paramus, some in Mahwah). To receive details on the training schedule, or for general questions about CERT, please email allendalecertcoordinator@gmail.com.

Don't Idle!

\$250 fine for first offense

Be Idle Aware

Here are some idling facts:

Idling for more than 3 minutes is illegal in NJ. Any police officer can write a ticket.

Idling for more than 10 seconds wastes more gas (and your money!) than re-starting. Idling for 2 minutes is equal to 1 mile of driving—just “fuel-ish”!

Today's fuel-injected cars don't need to be “warmed-up” even when it's cold outside. They do so most efficiently when on the move.

Idling is rough on your car. It can cause a buildup of fuel residues that can damage your engine and increase fuel consumption.

Idling can make you sick! It creates dangerous air pollutants that cause asthma, allergies, heart & lung disease, and cancer.

Spread the word to curb unnecessary idling!

ATTENTION:
PLEASE DO NOT IDLE, ESPECIALLY IN

POCKET PARK DESIGN COMPETITION

Be a part of history!

The Borough of Allendale is excited to announce a **landscape design contest** for a new **37' x 37' pocket park** that will be located directly in front of our recently updated mural on East Allendale Ave (Main St). This is your chance to help create a welcoming, vibrant space that enhances the mural, offers a place to relax, and reflects our community spirit.

DESIGN GUIDELINES

- Size: **37 ft x 37 ft**
- Must allow clear views of the mural
- Include seating, pathways, remove or incorporate existing pavers
- Use native or drought-tolerant plants
- Accessible for all (ADA-compliant)
- Budget-conscious & easy to maintain

WHO CAN ENTER

All Allendale residents — individuals, families, or groups.

SELECTION PROCESS

A review committee will evaluate submissions based on creativity, feasibility and alignment with the mural's style. The winning design will be publicly announced and recognized.

This is your opportunity to leave a lasting mark on our town and help shape a space where art and community meet. We look forward to seeing your vision for the pocket park!

WHAT TO SUBMIT

- Scaled detailed drawing or rendering with all components listed
- Short written description (max 250 words)
- Email to alisonaltano@allendalenj.gov
or drop off at Borough Hall, 500 W. Crescent Ave.

Community Meals, Inc. is a private nonprofit meals-on-wheels organization serving seniors in our community who can no longer shop or cook for themselves.

Do you, or someone you know, live independently but need help obtaining healthy daily meals?

Community Meals Inc. (CMI) is a private nonprofit meals-on-wheels organization based out of Glen Rock. For nearly 55 years, our goal has been to deliver nutritious meals to individuals in our community who are unable to shop or cook for themselves due to age or disability. We deliver to seniors in Allendale, Glen Rock, HoHoKus, Midland Park, Ridgewood, Waldwick and parts of Saddle River. The food is prepared by The Valley Hospital and then packaged and delivered by our dedicated volunteers. Each mid-day delivery consists of one hot meal and/or one cold meal and the cost is low.

To register, you or a caregiver can call the Community Meals office at 201-447-8295 or visit communitymealsonwheels.org.

We rely exclusively on generous donations from our community to subsidize those in financial need and to ensure continued delivery of nutritious meals to our clients.
