City of Haverhill - Conservation Department

LITTLE RIVER DAM REMOVAL & RESTORATION

PUBLIC INFO SESSION

Have a hot beverage and get an inside look at the project site with city officials, contractors, and consultants.

Join us to get updates, ask questions, see the progress!

Saturday, November 7 at 9 a.m. - 11 a.m.

Cashman's Field, 175 Hilldale Ave.

Rain date: November 21

Spanish interpretor will be available.

The session will include up-close views of the project site at Cashman's Field and the Little River Dam. MeVa will transport attendees between the park and dam with their free public transportation service.

Cashman's Field Playground and Skatepark are open during construction, bring the whole family!
