

**Riverside Park Multi-
Purpose Field
Saturday, November 7
11am-12pm**

Learn To Lax Clinic

**Open to all new and first year players in
grades 1-4**

Haverhill Lacrosse's Learn to Lax Day is designed for new and first year players to participate in a structured practice. This event will give new players who are uncertain if they want to play to give Lacrosse a try to help their decision. Returning players will be able to get together and get a practice in while being allowed to demonstrate leadership skills with the new players. All sessions will be supervised by experienced coaches within the City of Haverhill.

Only equipment required is a stick! We will take care of the rest. Please bring a water bottle and wear sneakers. We do have limited amounts of extra sticks, please contact Haverhill Recreation Department if you would like to borrow one or contact Recreation Director Ben Delaware at bdelaware@haverhillma.gov
