WITNESSETH

WHEREAS: It is the intention and purpose of the parties hereto to promote and improve the efficient administration of the City's operation and the wellbeing of its employees, to establish a mutual understanding relative to personnel, policy, practice and procedures and matters affecting compensation, work time and conditions of employment, and to provide for amicable discussion and adjustment of matters of mutual interest and concern:

NOW: Therefore, in consideration of the mutual promises and agreements herein contained the parties mutually agree as follows:

ARTICLE 1: RECOGNITION

The City recognizes the Union as the exclusive bargaining agent for all Animal Control Officers, Police Mechanics, Police Building Maintenance Craftsmen/Custodians and Public Property Custodians in the City of Haverhill.

ARTICLE 2: UNION MEMBERSHIP

All present employees who are members of the Union on the effective date of this Agreement shall remain members in good standing for the term of the Agreement subject to Section 1 below.

Section 1. Agency Shop Clause: Membership in the Local Union is not compulsory. Employees have the right to join, not join, maintain or drop their membership in the Local Union, as they see fit. Neither party shall exert any pressure on or discriminate against any employee as regards such matters.

Membership in the Local Union is separate, apart and distinct from the assumption by one of his/her equal obligation to the extent that he/she receives equal benefits. The Local Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and in Accordance with GL Chapter 150 E as amended equally without regards to whether or not an employee is a member of the Local Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Local Union, and this Agreement has been executed by the Employer after it has satisfied itself that the Local Union is the choice of a majority of the employees in the bargaining unit.

Payroll Deduction of Union Dues: Payment of dues for present employees shall commence thirty-one (31) days following the effective date or on the date of execution of this Agreement, whichever is the later, and for new employees, the payment shall start thirty-one (31) days following the date of employment.

Section 2. DRIVE: The employer agrees to deduct from the paycheck of all employees covered by this agreement voluntary contributions to DRIVE. DRIVE shall notify the employer of the amounts designated by each contributing employee that are to be deducted from his/her paycheck on a week basis for all weeks worked. The employer shall transmit to DRIVE national headquarters on a monthly basis, in one (1) check the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's social security number and the amount deducted from the employee's check.

Any official of the International or Local Union shall be permitted reasonable access to the employer's premises for the purpose of discussing DRIVE participation on the premises provided such access shall not interfere with the conduct of

the employer's business.

Section 3. Credit Union: The City agrees to deduct a certain specific amount each week from the wages of those employees who shall have given the City written authorization to make such deductions. The amount so deducted shall be remitted to the New England Teamsters Federal Credit Union once each month. The City shall not make deductions and shall not be responsible for remittance to the Credit Union for any deduction for those weeks during which the employee has no earnings or in those weeks in which the employee's earning shall be less than the amount authorized for deductions. The Union agrees that it will indemnify and hold the City and its agents harmless from any claim, action, omission or proceeding by any employee arising from deductions made by the City under this Article.

It shall be the sole responsibility of the Credit Union/employee to provide the City with the information on deductions and will not hold the City responsible for any issues arising from information not being provided.

ARTICLE 3: CONDUCT OF UNION BUSINESS

Authorized Agents of the Union shall have access to the premises where employees covered by this Agreement are employed during work hours, including the right to investigate working conditions, collect dues and inspect all time cards and other payroll records for the purpose of determining whether or not the terms of this Agreement are being complied with. The City will make such records available within seven (7) days of the Union's request and will provide a suitable bulletin board in a conspicuous place for posting of information of interest to the members of this Union.

The Shop Steward shall be permitted to leave his/her post for and at any reasonable time during working hours, upon notification to his/her immediate supervisor, for the purpose of ascertaining the facts concerning complaints or grievances and the presentation of such complaints or grievances to the Department Head/Supervisor or his/her designated representative without deduction from his/her pay for the time lost for such purpose. Shop Stewards shall have no authority to take strike action, or any other action interrupting the City's business. The City recognizes these limitations upon the authority of the Shop Steward and shall not hold the Union liable for any unauthorized acts. The City in so recognizing such limitations shall have the authority to impose proper discipline, including discharge in the event the Shop Steward has taken unauthorized action, slow-down or work stoppage in violation of this Agreement. The Union reserves the right to remove the Shop Steward at any time for the good of the Union.

Section 1. Number of Days Allowed: All full-time and permanent part-time employees shall be credited with sick leave with pay not to exceed fifteen (15) working days for each year of service, at the rate of one and one quarter ($1\frac{1}{4}$) day per month, provided that said leave is caused by sickness or injury which incapacitates the employee in the performance of his or her duties.

Section 1A. Number of Days Allowed: All employees (full-time and permanent part-time) hired after July 1, 2010 shall be credited with sick leave with pay not to exceed nine (9) working days for each year of service, at the rate of three-quarters (.75) day per month, provided that said leave is caused by sickness or injury which incapacitates the employee in the performance of this or her duties.

Section 1B. When an employee is out on sick leave for four (4) consecutive workdays, the Department Head may require the employee to produce a physician's certificate of his/her illness and of his/her fitness to return to work (or at the Department Head's option to be examined by the City doctor). The Department Head may require an employee to produce a physician's certificate of his/her illness and of his/her fitness to return to work (or at the Department Head's option to be examined by the City doctor) whenever the employee has an active Notice of Intent to Require A Doctor's Certificate. The Department Head may issue a Notice of Intent whenever he/she determines that an employee has developed a pattern of inappropriate sick leave. The Notice of Intent will contain the following: 1) a statement of which absences the Department Head believes constitutes the pattern and why he/she believes the absences are inappropriate; 2) a statement that the next time the employee takes sick leave, he/she may be required to provide a physician's certificate of his/her illness and of his/her fitness to return to work (or at the Department Head's option to be examined by the City doctor); 3) the date of issuance and date of expiration (the Notice will remain in effect for one year from the date of its issuance and will then lapse); and 4) that the Notice itself will not constitute discipline. The presence of an active Notice will not prevent the issuance of subsequent additional Notices to the same employee. While the Notice itself will not constitute discipline, nothing in this provision will limit in any way the employer's right to discipline an employee for abuse of sick leave. The Department Head's good faith decision to issue a Notice of Intent will be subject only to an arbitrary and capricious standard.

If an employee is out on sick leave and a public health nurse or authorized representative of the City is sent to individual's residence and said individual is not home or cannot be reached by telephone, then the individual will not receive sick leave for that day and will be logged as an unauthorized absence.

Section 2. Extended Family Sick Leave: Employees shall be entitled to up to five (5) days of sick leave in each calendar year when they have been exposed to a contagious disease or when there is a serious illness of a spouse, child or parent. Proof of such illness in the form of an extended family sick leave certificate or a doctor's statement shall be presented before payment of compensation can be made.

Section 3. Section 6. Voluntary Donation of Accumulated Time: In the event of long-term illness of an employee with no sick leave credits, individual employees may volunteer to donate at least one (1) day but no more than five percent (5%) of their accumulated sick leave time to the employee on a sign-up basis through the Human Resources Department. Such donated time shall not exceed a total of two-hundred and forty (240) days for the duration of the employee's illness. The use of such donated time shall be recorded by the Human Resources Department and notification shall be given to the donor and department head.

Section 7. Absence Due to Sickness: When an employee is absent because of sickness, such absence shall be charged off against any accumulated sick leave credits in multiples of on-half (1/2) hour but shall be no less than the actual time off. If an employee has no sick leave credits, such absence shall be charged off, at the employee's option, to leave without pay or to vacation leave credits, if any, but shall be charged off nonetheless on the same basis as above.

Section 8. Notification of Absence and Returns Required: Notification of absences or returns shall be given as early as possible to the head of the department. In the event that an extended absence is foreseeable due to illness, notification shall be given to the department head and a medical release form shall be completed by the employee (for the illness in question). Such medical release form shall be completed by the employee and returned to the Department Head within a two (2) week period. If such notification is not given, the employee's absence may be applied as absence or leave without pay at the discretion of the department head.

Section 9. Physician's Certificate Required for Extended Sick Leave: Upon return to duty following extended sick leave of or in excess of four (4) consecutive working days, an employee shall be required to file evidence in the form of a physician's certificate, along with a statement of the employee's fitness for duty. If such certificate is not submitted within five (5) working days after the employee's return to duty, such absence shall be considered an unauthorized absence and therefore applied as absence or leave without pay or against vacation time. In the event a second opinion is required, a certificate may be obtained from the Occupational Health Department at Amesbury Health Center at the City's expense.

Section 10. Sick Leave Accumulation for Retirees: Upon retirement or in the event of death of a contractual employee, sick leave credits shall be compensated at a rate of up to forty percent (40%) of all sick time accumulated up to July 1, 1979, as stipulated or amended by bargaining agreements in effect. In the absence of a current collective bargaining agreement, eligible employees shall refer to their previous contractual agreement.

Section 15. Perfect Attendance: For each quarter work year of perfect attendance at work by a member, one (1) day of annual leave will be granted. If a member maintains perfect attendance for one-year (four quarters) five (5) days of annual leave will be granted.
