

HAVERHILL YOUTH LACROSSE 2027

BEGINS IN MARCH

About the Program

Haverhill Youth Lacrosse is designed to focus on the fundamentals of Lacrosse while promoting a positive atmosphere. Boys and Girls compete as part of Mass Youth Lacrosse against neighboring communities for 8 games ending with the Jamboree in June. Our teams primarily participate in the MYL Classic League where there are no scores kept, standings, or championships and all players are guaranteed equal playing time. This program fosters positive social skills while allowing players to create and build everlasting friendships. Indoor practices begin in March and games in April. Program fee is \$180 which includes all game fees, uniform, and required MYL player insurance. Register at www.haverhillrec.com or follow the QR code! First 90 players to register receive a \$45 discount courtesy of the City of Haverhill Youth Mental Health Grant!

Please contact Haverhill Recreation Department for more information.
