This report was prepared by the Lincoln Police Department Crime Analysis Unit for informational purposes only. The information is based on data available at the time the report was created. The statistics in this report are not official Uniform Crime Reporting (UCR) or National Incident-Based Reporting System (NIBRS) statistics and should not be used as a substitute for official state or federal crime reports.

Mental Health calls for service were queried by searching for any CFS with “Mental” as the final call type.

Homeless-related calls for service were queried by searching for any CFS with “Camp” as the final call type; call disposition was listed as “HR”; the special circumstance field was flagged as “TR”; or contained any one of the following key words: “camp”, “transient”, or “homeless.”

E-bike calls for service were queried by searching for any CFS containing any one of the following key words: “e-bike” or “e bike.”

Assault and/or Resist a Police Officer-69 PC, 148.10 PC, 148(A)(1) PC, 148(B) PC, 148(D)(1) PC, 243(B) PC, 243(C)(2) PC.

Average Working Patrol Officers-Year-to-Date represents the average number of patrol officers including sergeants or Corporals working per shift, per month, not a cumulative total.

Average Working Dispatchers-Year-to-Date represents the average number of dispatchers including dispatch supervisors working per shift, per month, not a cumulative total.

Priority 1: In-progress calls requiring an immediate police response necessary to preserve life and a threat to public safety is present.

Priority 2: Incidents that have just occurred (within 15 minutes) that do not pose an immediate threat to life, where the apprehension of a suspect is likely and a threat to public safety is present.

Priority 3: Incidents that require a police response, where there is no immediate or expected threat to the safety of the public.
