CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The Program Year 2025/26 Year is the first year of the City of Madera's current Consolidated Plan for planning years 2025-2029 and accounts for projects and activities funded with Community Development Block Grant (CDBG) funds. The Program Year (PY) 2025/26 Consolidated Annual Performance and Evaluation Report (CAPER) provides a summary of accomplishments for activities between July 1, 2025, through June 30, 2026.

The major of outcomes for the funded activities fully met or met at least half of the expected outcomes. The one accomplishment category that was not met because there was not a funded a funded activity for the 2025/26 PY was affordable housing.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

Each of the goals listed in the above charts are indicative of the programs the City assisted to address the specific objectives identified in the PY 2025/26 AAP. In terms of the City's use of funds towards the highest need area (housing and homelessness), the City continued diligent efforts in filling these local gaps and meeting the annual goals. A portion of the City's CDBG Administration allocation funded the Community Action Partnership of Madera County (CAPMC) local and regional homeless services coordination and participation in the Fresno Madera Continuum of Care (FMCoc). This project serves to plan the annual Point In Time homeless count. Additionally, the two funded activities in the homeless category nearly met the annual goal.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The majority of the subrecipients have secondary resources to maximize their CDBG funding award. Resources made available to carry out CDBG-funded subrecipient activities include sources from the Fresno/Madera Area Agency on Aging, Local Workforce Innovation and Opportunity Act, CalWORKs, Department of Rehabilitation, Local Transportation Funds and Development Impact Fees. In addition, some subrecipients receive donations and utilize in-kind volunteers.

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The City is in the planning stages for an infill multi-use housing development in the downtown Madera area. As a result, outcomes were not met during the 2025/26 PY.

Discuss how these outcomes will impact future annual action plans.

The City recognizes the ongoing need to increase the affordable housing stock. The increase in home appraisals results in higher down payment costs, creating a burden for residents trying to purchase a home. However, if necessary, the City will submit a waiver requesting an exception to the HUD income limits and housing appraisal limits. The City is working with the local Housing Authority to meet the

demands of the proposed infill multi-use rental housing development. All existing and future HOME funds will be used toward this project.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Narrative Information

The City is aware of the need for increased affordable housing stock in the community. The need to assist families obtain or maintain affordable housing is critical for a community to thrive. The Consolidated Plan for the Planning Years 2025-2029 is focused on increasing affordable housing stock. In addition to CDBG and HOME funds, the City intends on utilizing Permanent Local Housing Allocation (PLHA) program funds and other federal, state, and local funds as they become available to invest in affordable housing for the community.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City collaborates with the Madera Homeless Coalition. This coalition consists of representatives from the Department of Social Services, local faith-based organizations, Madera Food Bank, Madera Rescue Mission, the Madera County Sheriff's Department, and the Madera Police Department. The Madera County Public Health Department leads the Coalition and represents the region on the Fresno Madera Continuum of Care (FMCoC). The FMCoC coordinates an active multi-disciplinary team. Efforts to meet specific objectives for reducing and ending homelessness are evaluated. The outcome of this evaluation determines the direction taken to reach out to support the homeless.

During the PY 2025/26, one subrecipients met and exceeded their goal toward preventing and reducing homelessness. The OLIVE Safe House projects assisted 27 victims of human sex trafficking. Case managed care including counseling, education/job assistance, drug rehabilitation, and financial literacy and training were provided. The second subrecipient was the Housing Stabilization project. A total of 5 individuals received either direct housing assistance, case management, or supportive services that prevented homelessness.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City collaborates with Community Action Partnership of Madera County (CAPMC), an active member of the Fresno Madera Continuum of Care (FMCoC). The FMCoC is the organization responsible for the Fresno & Madera Regional 10-Year Plan to end Homelessness. The FMCoC meets HUD's requirements to provide a comprehensive coordinated homeless housing and services delivery system. The FMCoC assisted homeless persons in making the critical transition from homelessness to independent or supportive permanent housing, accessing education, health and mental health services, employment training, and life skills development. CAPMC also operates a Housing Stabilization program which helps individuals receive temporary emergency housing assistance.

Additionally, the City works in close partnership with the Madera Rescue Mission which provides vital services to individuals and families that find themselves without a home. The Mission provides meals, lodging, 9-12 months of in-patient Recovery Program, and additional services designed to prepare individuals to re-enter the community.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care

facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Resources were provided by the Madera County Department of Social Services through CalFresh, CalWorks, Medi-Cal, General Relief and other programs. In addition, Madera residents have access to facilities in adjacent larger cities and counties that have community care facilities and supportive housing beds for people with health-related needs.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The partnerships developed between the FMCoC members and other agencies allow service providers to coordinate efforts to assist those experiencing homelessness make the transition to permanent housing and remain permanently housed as quickly as possible.

Operated by the Madera Rescue Mission, MAP (Multi-Agency Access Program) is an integrated intake process that connects individuals facing homelessness and connects them with housing. In addition, MAP connects those homeless facing challenges with behavioral health, substance abuse, physical health and/or mental health to the appropriate social services.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The Housing Authority of the City of Madera (HACM) receives Federal and State funding for the HACM's Section 8, Public Housing, Farm Worker Housing, and Pomona Ranch Migrant Housing Center. The HACM receives annual allocations of Federal and State housing funds. The annual allocations for both are insufficient to address the extent of households paying more than half of their income for rent or living in substandard housing and for providing additional public housing. A portion of the HACM's budget is allocated to maintenance thereby addressing health and safety needs of their public housing units.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

All Public Housing families are invited to participate in becoming a Resident Advisory Board (RAB) member. The members take on an important role in the policy, procedures, and program implementations. RAB members make recommendations regarding the development of the Agency Plan or any significant amendments or modifications to the Agency Annual or Five-Year Plans. All Public Housing participants are invited and encouraged to participate in the Family Self Sufficiency (FSS) program. This program encourages families to become homeowners.

Families in the FSS and Resident Opportunities and Self-Sufficiency programs are provided information on training and employment opportunities and other community resources. At the time that a family moves into a Public Housing unit, a survey is given to them to see what kinds of supportive services would benefit them.

Actions taken to provide assistance to troubled PHAs

Not Applicable. HACM is not designated as a "troubled" agency.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City of Madera meets the California Department of Housing and Community Development objectives and strategies as follows:

Access to Opportunity/ Outreach and Engagement: engaged in campaign or other approach to combat NIMBYism. The Housing Element and Zoning Ordinance support a variety of housing supply.

Ensure language access (e.g., translations and multi-lingual staff) in dominant languages in materials and at meetings): bilingual (English and Spanish) public meeting and hearing announcements are published and posted. Availability of translation is verbally announced during the public hearings. Bilingual staff is available during each public meeting.

Support strategies to facilitate leadership development (improving capacity to engage in local decision-making): the Citizens' Police Academy facilitates leadership development. Non-profits are awarded funds for youth and parent engagement activities. The Citizens' Leadership Academy also facilitates citizens learning and understanding of local government operations through a cohort of Department heads.

Recruit residents from neighborhoods to serve or participate in boards, committees and other local government bodies: the City Council is elected by district and the Mayor is elected at-large. The City Council approves the appointment of members from each district as recommended by the Mayor to boards, committees, and other local government bodies.

Meetings: meetings are held in the evenings in locations accessible to persons with disabilities and interpretation/translation services provided.

Actively seek a variety of funding opportunities: staff actively seeks funding sources to rehabilitate homes, develop parks, expand transit, and provide pedestrian and bicycle transportation.

Seek funding to prioritize basic infrastructure improvements while mitigating displacement and increased costs to vulnerable populations (e.g., seniors, persons with disabilities and farmworkers): staff actively seeks funds to improve infrastructure in disadvantaged areas of the City. No displacement or increased costs are associated with these improvements.

Target acquisition and rehabilitation of vacant and blighted properties: staff actively seeks funds for infill development.

Affirmatively market or take other actions to promote use of housing choice vouchers in high opportunity areas: the HACM promotes the use of housing choice vouchers citywide.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

In PY 2025/26, the Public Service funded activities met the needs of underserved populations. These activities include providing housing and wrap around supportive services to victims of human trafficking. CDBG funding was also used to provide local student athletes with running equipment, meals for seniors, job training, and direct subsidy assistance to prevent homelessness. The Capital Improvement sidewalk project supports underserved areas of the community by repairing sidewalks to improve pedestrian accessibility and overall community livability.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City and subrecipients provide lead-based paint testing as required by funding sources for residential rehabilitation and acquisition.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City provided assistance to at-risk youth and their families. Mentorship, social activities, leadership strategies and multiple resources were provided to these individuals and families to help them achieve more stable and healthy lives.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City's CDBG-funded programs are administered by the City's Finance Department - Grants Division. This Division works collaboratively with other City Departments such as Planning, Community Development, Engineering, Finance, Building, Public Works, and Parks. With the planning of the 2025-2029 Consolidated Plan, City staff was able to meet many new stakeholders. The City understands the importance of networking within the community and remains committed to resume such practice during PY 2026/27.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City will continue to meet with HACM staff during PY 2026/27 to address the local needs of public housing residents and bridge the social service gap. The HACM was very involved in stakeholder meetings during the preparation of the Consolidated Plan, their feedback was documented and helped identify local needs.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

Attachment A

The City has continued to comply with antidiscrimination requirements, including all applicable Federal regulations as demonstrated in the City's application for Community Development Block Grant, HOME, and other Federal funds, implement policies and programs identified in its Housing Element and implement Zoning Ordinance amendments necessary to further fair housing and implement the recommended actions in the City of Madera's ADA Self-Evaluation and Transition Plan to modify its policies, practices, and procedures to avoid discrimination against people with disabilities.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The City of Madera staff is available to offer assistance and answer questions from subrecipients. At minimum, City staff contacts each subrecipient on a quarterly basis upon the submission of quarterly reports, invoices, and any related matters. Staff works with departments issuing CDBG-funded Request For Proposals (RFPs) to ensure federal compliance with additional rules and regulations.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Pursuant to HUD public noticing requirements, the CAPER was made available for a 15-day public review and comment period. This public comment period began on September 9, 2026. The notice of the public comment period was published in the Madera Tribune. The draft CAPER was made available on the City's website at www.madera.gov. Copies were also available at Madera City Hall in the Grants Division's office. The notice was also provided to the HACM and the Madera County Library. The public was invited to submit comments directly to City staff during the comment period.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

Community outreach efforts with citizens were meaningful and informed when developing the Action Plan. Community input was prioritized in the development of the AAP. There were no changes in program objectives.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

Not Applicable.

CR-50 - HOME 24 CFR 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in 24 CFR §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

This is non-applicable for PY 2025/26, as the City is still in the planning phase.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)

This is non-applicable for PY 2025/26, as the City is still in the planning phase.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

This is non-applicable for PY 2025/26, as the City is still in the planning phase.

Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 24 CFR 91.320(j)

This is non-applicable for PY 2025/26, as the City is still in the planning phase.
